

Latino Leadership and Advocacy Project

The Missouri Developmental Disabilities Council (MODDC) granted Community Partnerships of the Ozarks (CPO) and Alliance for Leadership, Advancement, and Success (ALAS) funds to serve families from southwest Missouri. The purpose of this grant is to create leaders and advocates (community navigators) of the rights of individuals with a developmental or intellectual disability. We are planning on delivering this project completely in Spanish. We are contacting you because we are aware of your potential and capability to be part of this project.
